RECEIVING YOUR ORDER

Options for receiving your order

LSC allows our customers to pick up their order directly from our warehouse. Delivery is also available to most markets, please contact our team for delivery rates for your area. Please review the process for each option in order to decide which works best for your needs.

Pick up

LSC desires to make every process convenient and accurate for our clients. If you have a preference on pick up times, please add this detail to the order form. If no indication is made, LSC will schedule the pick up based on the current lead time.

Delivery in house truck

LSC Cabinetry offers delivery service for an additional charge. Delivery rate and schedule varies based on location. Please contact us for more information.

LSC reserves the right to cancel any delivery due to special circumstances such as severe weather and other uncontrollable conditions. We will notify customers on any alterations to delivery schedule as soon as possible in order to reschedule. LSC will not deliver until receiving full payment for each order.

If a customer has a specific delivery date that is not in accordance with our delivery schedule, LSC will arrange shipping through a third party. In this case, we will be responsible for the difference in price.

Shipping LTL

For deliveries outside our delivery area:

Customer is responsible for shipping cost. LSC will quote from multiple freight companies to ensure the best rate and schedule for our customer. Since we use third-party freight companies, all quotes are estimates, customer is responsible for final freight charges.

All shipped orders will be individually wrapped, consolidated, and palletized. A handling fee may be applied. The service must be requested at time of order to ensure accurate delivery date.

Job site/curbside delivery can be requested. Please note, a liftgate fee may be required and added to the final bill. (Liftgate fees vary depending on courier). Some job sites have limited access and require special unloading requirements. The uncertainty is determined by the freight company and extra charges may apply.

Truck driver is not responsible for unloading.

RETURNS

Returns and exchanges

LSC will only accept returns/exchanges in good, reusable condition and in original packaging within 30 days of sale. Assembled and modified or special ordered cabinets cannot be returned or exchanged. If LSC shipped the wrong cabinet, we will take back the wrong cabinet in any condition.

All returns and exchanges are subject to inspection and a 25% restocking fee.

All returns will be reimbursed as credit on the account and will apply to the next order.

Cannot accept returns/exchanges on accessories (Include: Fillers, Moldings, Skins, Panels, mullion doors and anything else listed under accessories) due to how easily they can be damaged during return process.

All customers will be responsible for the return/exchange shipping cost.

Cancellation

LSC values our customers' time; we process our order in a timely manner. Any LSC order canceled after 24 hours period is subject to a 20% restocking fee and any assembled order canceled after 24 hours period is subject to a 25% restocking fee.

Damage claims

All items must be inspected immediately upon receipt for any visible damage. All claims need to be put in writing and clear photos are required along with the claim.

For any visible damages That occurred during shipping through a third party, customers must note on the carrier's delivery ticket right away before signing it, in order for LSC to file claims to the carrier. For any concealed damage due to shipping through a third party needs to be submitted within 10 days of accepting the shipment.

For any visible damages incurred during our truck delivery, customers must inform the truck driver right away before signing the packing list. If there are any concealed damage claims that need to be filed, please submit these claims within 10 days of delivery.

For any damage that occurred during shipping ,LSC will replace the damaged item in the most cost effective and efficient method. After we verify the damage, we will arrange replacement with in 7 days of the claim made. For any damage that occurred due to customers' own handling error, LSC will not replace the damaged item, customer is responsible to purchase a new item at full price.

Manufacturing defect claims

LSC reserves the right to determine the most cost effective and efficient method to correct defective product.

LSC and its manufacturer determine what is "defective". We will replace the defective item within 7 days after claim is processed.
